## Bowling News

Hi everyone, it has been some time since we issued a newsletter but we felt that the Charity Bowling was as good a reason as any to catch up.

The event as usual was held at the Dundonald Ice Bowl and Toshiba, one of the main sponsors of the evening were represented by, Business Development Manager Neil Hitching who presented the prizes, which is why he features in all the photographs.

There was a lot of work for the handicap committee as not all teams had the 4 guys and 2 girls template. After adjustments tight competition between Mott McDonald and URS resulted in second place for Mott's. The clear winner however and a regular supporter of the event was Maurice Stevenson. Some may say that not bringing David Stevenson was a bold tactical move and it certainly seems to have come good.

A good time was had by all and for the first time both the individual winners and the winning team have all chosen the same charity to support. This is to be the Northern Ireland Chest Heart & Stroke.

We had a lot of support this time around with each of the companies below sponsoring a lane:

Airdale, Aqua Cooling, Duct Products, Fridge Spares, Gasco, McCaig Collim, Munters, Toshiba
